“ *Baby, just thinking about you today. You stood by me and protected me through the decision for me to have our son when doctor told me if I go through with it I may die. Look after him I had three miscarriages. You never complained through my health crisis and I wish I could have been there for you. I know that when God calls you home nobody can stop it. I intervened twice reviving you but this time I wasn't home to be there fore you. I miss you so much.* ”
