“ *Barbara and Family. With deepest sympathy. I remember when Sema and I lived in Fort Washington, and Charlie and Grady use to visit us. I was so sore that I missed seeing Charlie when he came down to Virginia for my husband viewing.*

“ *Charley was a kind and gracious man, quick to try to teach or help. He touched the lives of countless people in the construction business. He taught me a lot and I am thankful for the time I spent with him. His name is spoken with reverence by those who worked with and for him. He will be missed.*

“ Mr. Williams “Charlie” always poked fun and had the funniest quirks that kept his friends and family entertained. He truly brought an immense amount of joy and laughter into our lives. No one can replace the way Charlie “talked junk”, always threatening to kick me out of his house when my Dallas Cowboys were whooping up on his Philadelphia Eagles. I consider myself one of the lucky ones who got to be a part of his life. He will be missed deeply, but our memories together will be forever cherished.

“ Charlie was a great guy and true friend who was also an inspiration to all. I looked forward to working with him in Virginia and bringing hoagies and soft pretzels to share together. I will truly miss Charlie but will carry memories of Charlie in my heart forever .
