“ *Rest In Heavenly Peace my baby girl Charmain. See you one day when my number is called.*

*I believe God needed the best Angel so as you laid your head down he decided he could quietly sneak you away. He knew that we would be filled with pain and hurt however he had a plan to comfort and strengthen us to endure it all.*

*No need to worry about Anthony, he has a great support team and we gonna take good care of him as you would want.*

*Gone from this old earthly round but never from my heart. I Love You, mom*
