*My Dear Aunt Colleen, you will be truly missed. A woman of strength, honor and dignity. I praised God that he brought you into my life. You were a GEM., a Jewel...A precious stone cut and polished. Something prized, especially for great beauty or perfection. A highly prized or well-beloved person. You gave so much love. You gave a lot of love. Love that can be seen....but more importantly, Love that can be felt. And that is what has impacted me and family and friends that you shared your heart with us here on earth. Even as you went through adversity, you still rised above it and continue to walk in love. Thank you for your phone calls and always checking up on me.and going to plays, concerts and seeing Chuck Brown and riding to North Carolina.Please say hello to the ancestors for me. You were loved and you are loved.
