“ *Dear Natalie and Family, as you well know, your Mother was a very dear, dear woman. Her warmth and hospitality just spilled over ever time I ever encountered her. You are very much like her. During the elegant tribute to Constance Turner's life on Monday, I was made aware, as I suspected, that she shared her lovely glow with everyone. How fortunate I feel to have known her and I thank you so much for introducing her into my life. Thank you also for letting me know about the celebration of her life so that I could participate in that very moving service. I know that you miss her so very painfully but I hope and pray that you will find comfort in the realization that her radiant Spirit will be with you always.*

*With much love and sympathy,

Constance Ford Turner joined the HUWC in 2003. Immediately, she was elected as Recording Secretary of the Club and served in that capacity for eleven years.

Ms. Turner regularly prepared minutes for monthly meetings and delivered them with a flare.

She demonstrated love and comradery not only in the HUWC and other organizations with which she affiliated, but also with her family members. The members of the HUWC witnessed the love she exhibited with her brother, who accompanied her on several occasions when she attended meetings. She was a great example of one who was committed to worthy causes, loved others, shared her blessings and loved life to its fullest.

She will be sorely missed by the members of the HUWC.

May God bless her loved ones in their time of bereavement.

“ Denise - It must be a hard moment for you. But it must also be a blessing to have had your mother in your life. I'm so sorry that has ended, but all the good she imparted to you and others will live on. We're all keeping you close in our hearts. With love, Ricky.
