“ *Sending love, thoughts and prayers to the family and wishing peace and comfort as we remember the life of a wonderful woman and mourn her passing.*

I smile each time I think of her because I can't help but to recall the conversations we had and how much we smiled and laughed. She called me an old soul.

I have been blessed to have a family of strong and bold women around me and Cozet was no exception. Cozet was a woman of knowledge, wisdom, truth and especially one of strength.

I'm thankful for her always celebrating me and being a part of my achievements, and so I didn't hesitate to show up for her whenever she needed me. The more recent memories will last a lifetime, and I'm so glad I had chances to hug her and tell her I love her.

She will be missed.

*Love,
Your Goddaughter Cynethea*

“ *To the Cozet family, you have the condolences of the Preston family. Our prayers are with you.*

Cozet and I met working together at a law firm in DC, and she didn't take any mess then either. I said I liked her.

A friend for 42 years, the godmother of my daughter. You were the best. I thank you for the many laughs and the love that you showed the family. The firmness with which you spoke and the funny stories you told. Boy, I'm going to miss you. We never left talking without saying I love you. It's so hard to believe that I will not see you or talk about the old times. We don't know why you went so soon. But I do know God doesn't make mistakes. He saw his daughter suffering in so much pain. Even when you said I'm okay, I thank God for letting us have you as a daughter, wife, mother, sister, aunt, grandmother, godmother, and friend for the years He gave you to us. Now, He needed his daughter. I love you, Cozet, and I am going to miss you so. Always "I Love You" Susie
