“ I only met Curtis Johnson, my second cousin, one time. It was in 2019 and I went to Martinsburg to reconnect with my family, and specifically see my first cousin, Johnny Johnson. He took my husband and I to the soon to open sports bar of his son Curtis. Curtis was there and we got to connect as a family. I saw the love between father and son and it made my heart so happy! I know Johnny was there to welcome his boy and they're now all our angels. Family I am with you in spirit during this time and know that your relatives in Texas love you!

“ Sending my sincerest condolences to your family. I met Curtis over 20 years ago while dating one of his closest friends. What I remembered most about him was his warm welcoming spirit. He wanted nothing more than for me comfortable and remained that way. Curtis will be truly missed by many loved ones. This King had no enemies. Rest easy my brother. Love you Marnia "Ne-Ne"
