“ *May you rest in peace, uncle Lee, I will miss your presence, smile, and corny jokes. Thank you for the memories and lessons. While our hearts are broken, there is comfort in knowing that you are reunited with your love ones gone before you. Take your rest. RIHP*

“ *There are times when people are in your life and you don't recognize how they helped shape who you have become. That contribution they made at the right time and moment that put you on the path. I'm going to miss the laughs, the words of caution and the advice you imparted to me, Big Bro. I will miss you, but never forget you. Larry...*
