

Ms. Cynthia Ethel Anderson

January 5, 1959 - October 2, 2021

Cynthia Ethel (Canady) Anderson affectionally referred to as Cinny (a nickname given to her by her father). Cynthia was born on January 5, 1959 to Gloria Elaine and Wilbur Canady. She is the middle child of three daughters. Cynthia was educated in Prince George's County Public Schools. She attended Glenarden Woods Elementary, Thomas Johnson and William Wirt Middle Schools. Cynthia graduated from Duval Senior High School in 1977 and worked for the Sidus Group and Inky Technology for several years. Cynthia accepted Christ and was a long-time dedicated member of Craig Memorial Community Church. Cynthia was a quiet worker in the church helping wherever needed. She helped manage the church website, assisted the church clerk; and volunteered with the youth ministry. She also was a part of the Women Christian Fellowship Ministry; she also assisted the planning and creation of programs and slide presentations for the Women Christian Fellowships activities and assisted our beloved Doris Rawling with the church programs. She takes pictures of all the different events that happen at the church. Cynthia loved her family: she was simply the best daughter, mother, grandmother, sister and adored, cousin, aunt, great aunt, and friend to all that she loved and all that loved her. She was also a great teacher! She taught us how to ride a bike, drive a car, use and fix computers, do homework, put anything together, understand football plays; and make celebratory cards. Her greatest accomplishments were giving birth to her daughter Tanisha Anderson and helping raise her two grandchildren: Pili Greenfield Jr. and Makaylla

Henry.

“ *My sincere condolences to the Family and Friends. I can recall countless times of fun, laughter, and fellowship with Cynthia. She was consistent whenever she had the chance she would reach out. It gives me comfort to know she is no longer in pain. You fought a good fight. But God knew best. Love you and will miss you our Sister Friend. Rest in Paradise.* 🙏🏻🤔❤️

“ *My big sister who I shared my birthday with Jan 5th, she taught Cathy and me everything including how to ride a bike. I would always make it my duty to try and call her first on our birthday. My heart is heavy that she’s won’t be here for our birthday but GOD knows. Love you Cynthia, your little bro!*
