“ Clara, I'm so sorry for your loss. I was out last week, so unfortunately, I'm just seeing the notice. May God comfort you and Cynthia's family in your times of sadness. Clara, I pray God grants you the strength needed to get through this moment in life. I offer my sincerest condolences.

“ Clara and family you have my heartfelt sympathy and to her sisters and brothers also I send this message to you in thought of my niece Cynthia: When tomorrow starts without me and I'm not here to see-If the sun should rise and find your eyes all filled with tears for me-I wish you wouldn't cry the way you did today while thinking of the many things we did not get to say- I know how much you love me as much as I love you-each time that you think of me I know you will miss me too-when tomorrow starts without me please to understand that an angel came and called my name and took me by the hand-the angel said my place was ready in heaven far above and that I would have to leave behind all those I dearly love- but when I walked through heaven's gates I felt so much at home when god looked down and smiled at me from his golden throne-he said this is eternity and all I've promised you today your life on earth is done but here it starts anew-I promise no tomorrow for today will always last and since each day's the exact same way there is no longing for the past-so when tomorrow starts without me do not think we're apart for every time you think of me remember I'm right here in your heart.

“ *Dear Cynthia - Rest in peace and may God bless you. You have left the rest of us way, way too soon. I remember you well as a cheerful, talented, and very hardworking member of our office. I know that you parlayed these same characteristics to your next positions too! I find it comforting to think that you have most likely made several improvements in heaven by now. May Clara and other family members find comfort in knowing you too. Your friend - Doug Wink*
