“ *The moments spent with me and my family were not of regret. Although your departure is a reality, it's still difficult to believe. Things just won't be the same without you.. When you left, a part of us left with you. May you rest in peace in the presence of God, and may he give your family the strength they need to get through times like these.*

“ *Damon was a caring, compassionate, respectful, and outgoing young man. He loved life and his family to include friends. He was extremely talented at troubleshooting and fixing anything. I am thankful and blessed to have known an outstanding, fine young man. To the family, I say be of good cheer, God is your refuge, your strength, and your comforter. Let us all cherish the memory we have of Damon Ryan Smith. God bless....Ms Golden Giddings*
