“ *Today would have been Dan's 76th birthday had he lived to take note of it. I also light a candle in memory of the laughter we shared over decades. His was a dry wit, and if you weren't paying attention, then sometimes you missed his sly humor. I have been Carolyn's friend for most of our lives. Consequently, as her friend, I became his friend and the recipient of many gifts. Carolyn received a present; Millicent received one. May Carolyn, Carlynn and Darryl remember only the good in Dan and treasure a continuously revolving virtual memory device of laughter.* ”

“ *I send my love and condolences to Carolyn, Carolyn, Darryl and the family.*

I have the fondest memories of Dan when I would visit Carolyn and Dan as a teen, during my summer vacations. Dan would sometimes prepare breakfast before he journeyed off to work. He would often make my favorite, silver dollar pancakes and other delights. It always left me with a belly full and a smile of satisfaction on my face. I pray that you cherish your memories of Dan as I will. May God continue to bless you with His peace and comfort.

“ *My condolences to Carlynn and the family. I met Daniel many years ago when he and Carolyn lived in Southview apartments. We then lived near each other in Fort Washington, MD, Carolyn and I were HS classmates. I pray the memories that Carlynn and Carlton cherish of their father give them peace.*

Daniel & I met in high school. He was a great football, Basketball 🏀 & choir student 🙌. After I relocated to D.C. we reconnected. I will miss his soft voice and his cute smile. Much love to his family. Verakwaites.
