“ I was saddened to hear of the passing of such a fine lady as Darnell. I was so happy to see her last August and enjoy the family fish fry with her as I waited for my cup of "lemonade".

I am praying for you to get through this time with the peace that comes from knowledge that God loves you and that He will take care of you.

“ Mama Darnell opened up her home, her heart to me and my family back in 1993 when I was invited to their home for the annual fish fry. I will always remember my Capricorn sister with her beautiful smile and always a big hug when I walked through the door. I am one of many of adopted children that she has accepted into her heart over the years. I will miss you, mama. Rest to in peace.
