When Tomorrow Starts Without Me

When tomorrow starts without me,
And I'm not her to see,
if the sun should rise and find your eyes
are filled with tears for me.
I wish so much you would not cry
the way you did today
while thinking of the many things
we have done along the way.
But when tomorrow starts without me,
please try to understand,
that an angel came and called my name
and took me by my hand,
and said my place was ready in heaven far above,
and that I'd have to leave behind
all those I dearly love.
I thought of all the yesterdays... the good and the bad.
I thought of all the love we've shared
And all the fun we've had.
If I could relive yesterday, I thought for just a while,
I'd say goodbye and kiss you all,
and see each of you smile.
But then I finally realized, that this could never be.
I would not change where I am now,
my Savior's face I see.

So when tomorrow starts without me,
don't think we're far apart.
For every time you think of me,
I'm right here in your heart.
When tomorrow starts without me,
here's what I'd have you do.
I know how much you love me... as much as I love you.
Don't lose the love I gave you,
feed it with your care, grow it with devotion,
and spread it everywhere.

Love you always because you were the nicest guy

“ *To every thing there is a season, and a time to every purpose under the Heaven. -Ecclesiates 3:1*
I wish to extend my condolences to the Harris Family. I was extremely heartbroken to learn of Keith's passing. He was one of my favorite cousins. Keith was always a pleasure to be around because of his happy and very tranquil demeanor. Conversations were always easy and jokes overflowed whenever we reunited. Knowing he is no longer here truly hurts, but my love for Keith will never dwindle. I have a ton of wonderful memories that will sustain me until I too, reach the end of my season and pray that we will reunite again.

“ *What a friend we have in Jesus, All our sins and griefs to bear!
What a privilege to carry everything to God in prayer! O what peace
we often forfeit, O what needless pain we bear, All because we do
carry everything to God in prayer!
Have you trials and temptations? Is there trouble anywhere? You
should never be discouraged, Take it to the Lord in prayer. Can you
find a friend so faithful who will all your sorrows share?
Jesus knows your every weakness, take it to the Lord in prayer.
Are you weak and heavy-laden, cumbered with a load care?
Precious Savior, still your refuge
take it to the Lord in prayer; Do thy friends despise, forsake thee?
Take it to the Lord in prayer; In his arms he will take and shield you,
you will find solace there.*

“ Keith will be deeply missed. We would give anything to have him back. His smile, jokes, easy-going demeanor, and all the fun we'd all have just being together. I pray the Lord will comfort us all during this difficult time through Keith's memories and his love for us all. The name Darwin suited him because he possessed a beautiful spirit very much similar to his uncle Darwin Harper.
