“ *To the DaShawn Reynolds' Family,*

*When the Lord calls our loved ones home, he leaves a gift of memories in exchange. Talking to God will help ease the pain. We also grieve with you, the family, in your loss.*

“ To the DaShawn Reynolds' Family,

*I will truly miss DaShawn. He was such a loving and gifted person. We (My Beloved Mother--Lula Jean Dowe Dent Webb and I) met Shawn, as we called him, many years ago when our Dow/Dowe Family Reunion Choir needed of a Minister of Music. He taught us 3 songs for our memorial and Sunday Service. Shawn was the greatest. He was like a part of the family, and we loved him. Our family reunion will not be the same without Shawn when we hold it in DC again. He was our Minister of Music for many years; however, Mom and I was blessed to hear him every Sunday.. Shawn became our Minister of Music for our church--First Baptist Church of DC. I am so happy that he played for my Mom's Homegoing Service, which she previously asked him to do. Amazingly, several weeks ago, after the Sunday Service, we talked longer than usual about Mom, the Dow/Dowe Family/Reunion Choir and many other things. I know he's in a better place, along with my Mom, but my heart is still heavy.*

*I will be praying for your family. May God Bless, Strengthened and Keep You Always during this time.*
