“ I have been in customer service and the banking industry for over 20 years. I must admit that there has never been a more caring and pleasant individual than our friend David Moses. He would always walk in with a smile as big as Texas and shout out "Hello my Burke and Herbert Bank Family". He made it his mission to give everyone a hug or a high five with every visit. I will miss him and the genuine heart that he gave to everyone.

To Kathy and Family: You had a real jewel in David and my his memories allow all of us to sparkle and shine for the rest of our lives. WE LOVE YOU!!

“ My name is LaTasha Taylor-Irvin, and David Moses was my stepfather. He always treated me and my sisters well and I never felt as if I wasn't his own. As an adult, I realized how much that has impacted me as a person, family is family no matter how the ends tied together. I love him for teaching me that and many other things, and he will forever be missed and loved.

Fondly,  
LaTasha
