“ *It is sad to experience the Home going of my first nephew, David. I will miss our short " keeping in touch" conversations especially on holidays. Rest in peace and enjoy reuniting with your parents, grandparents , Your sister, Diane, and others that transitioned before you! I know that although I am weeping now, joy comes in the morning!*

*Remember that Brenda, Kevin, Angie, David, Darrell, Ebonie, Niketa and others that share in this sorrow*

*I too share in your sorrow in David's Home going. I will miss the calls just to check on me and on those special holidays like birthday and Mother's day .Now you are with your father and mother , Diane and the rest of those that have gone on before you. The circle has been broken again , but God will wipe away all tears and this too shall pass.*
