“ The late Davis Scott and I became bosom friends when I joined INTELSAT in 1995 and remain so to date. We quickly bonded because he was kind, funny, helpful, and loved everybody regardless of race, ethnicity, and social status. He often referred to me as “my brother from another mother,” and nicknamed me “Big Papa.” He would often jokingly ask me to relocate from Virginia (the Plantation) to either Maryland or DC.

David and I mostly spoke about family, career, and post-retirement activities. He regularly spoke fondly about his older children’s successful careers, and how smart and promising his younger boys are. He shared with me his goal to visit Africa (Ghana), and plans were in the works to do so in the next few months.

I am, therefore, heartbroken about his sudden death. I know he is gone to be with his maker, and it is well with his soul. I wish the entire Scott family my warmest condolences. May his soul rest in eternal peace!

“ My memories of Mr. Scott are powerful ones. He loved being a part of his children’s lives. His lunch duties at SJE were legendary and he knew how to keep the kids happy, engaged, and respectful. He always greeted you with a smile that was genuine. He loved his little boys so much; you could see the love in his eyes. God bless you all. Your family will be in my prayers. Love, Mrs. Marilyn Whitney, SJE Teacher

“ I remember David out with his boys - Gabriel and Nicky - teaching them how to play football. He was always very nice and let my son, Kyle, join them.
