“ *I send my deepest condolences to Mrs. Walker, his children and grandchildren. I just found out of David Walker passing, I meet him while he was working at the criss hotline. I was going through a deep depression at the time. Tony was there to help me when no one else would. if it had not been for David aka Tony I may not be alive today. Thank you Mr Walker for your help, love and support.*

“ *To my loving husband, may you have eternal rest. God only knows how much I'm going to miss you! You were everything to me and then some. My heart is breaking knowing I won't ever hold you again until we see each other on the other side. I will always love you!*

“ *Dad.....words can't explain how much I miss you and how much it hurts to know that you are not walking this earth anymore and not cracking jokes with mom. But eventually i'll find the comfort and strength to come to terms with it. I know a higher power has called you home for reason and we know it was for a good reason. We still miss you and we love you.*

That's a very nice tribute to your dad. He was a wonderful husband and father.

“ *I'm truly going to miss my colleague, co-worker and friend. We've worked together for almost 18 years. In all my life I've never met a more even tempered person. His demeanor was always the same. No one I know, who knows David can say anything negative about him. My prayers and condolences are for his lovely wife and wonderful children and supportive sister. I'm praying for you all. Yes even Asta!!! We will all miss him daily.*
