“ I'm so very sad to hear of Dawn's passing. I haven't work at the Navy Yard for many years, but when I did she was one of my favorite people. She helped me many times over the years with work, but always took the time to ask about my family. I know how much she loved her family and was a very proud mother and grandmother. My deepest condolences to her family.

“ *My prayers and condolences go out to Toya and John and the rest of her beloved family. I just wanted you to know that I worked for Dawn for 10 years. Dawn was a high energy good spirited person she loved and cherished her family and oftentimes shared pictures and talked about her beautiful grandchildren. I am glad we crossed paths. I will miss her dearly and what I know we all will remember is that she never bothered to call you by your name she called us all "Love" God Bless You Dawn R.I.P .*

“ I was a colleague of Ms. Dawn's on the Navy base. It's with a very heavy heart that I pay my respects, as I had great fondness for her.

I appreciated Dawn's unique personality - gruff, no-nonsense, and tender all the same time. I'd see her come by to whip the boys in shape (including myself), but always with a twinkle in her eye.

One day I had an issue I couldn't resolve. Ms. Dawn poked her head in to my office, as she did often, to check on me. I told her about my issue, she nodded knowingly and said, "I'll take care of it, baby!" Sure enough, a few days later, thanks to Dawn magic, everything was taken care of.

Very sorry for the Payton family's loss, and how much we will all miss Dawn magic.

*All my respects,
Patrick Edwards*

“ Ms Dawn was a truly amazing person. I connected to her right away. She personally, looked out for me at The Washington Ballet @THEARC. I would walk in and she would say "I got you some food". Couple of days before the virus took over our lives, I was complaining that I had been to six stores looking for Lysol and hand sanitizer. Next day, she left a bag fir me with my name on it. Inside was a can of lysol (with my name on it) a d hand sanitizer (with my name on it). Ms. Dawn was so special to me. I will truly truly miss her. My prayers go out to have family and loved ones. Just know she was loved by many.
