“ *My favorite moments with Deborah was when went to the casino and met my aunt and her friend there. My aunt friend told us that we look very sad or broke and he gave us money to gamble with. Deborah was surprise by that and told him that was okay and he said if you don't want it just give it back once she saw that he was just given it to her to enjoy herself. She said thanks and put it in her pocket. Just to tell you how she was with money she said this will replace what she spend and didn't gamble no more that night. Deborah you were very special to me and you will be truly miss by all the people touch. Love you truly
