“ *Dear Crystal,*

I only learned of your Mother's death this morning. I am so very sorry for your loss and send my deepest sympathies. I worked with your Mother at MedStar in the late 1990's but reconnected with her some years ago. In fact, we had lunch and you, of course, were top of the discussion. She was so proud of you.

Your Mother was just the best - smart and kind and always ready to help. She was the epitome of a professional in every way. She left her mark on many and will be remembered with fondness always.

I hope your grief will be deep and sweet.

“ *Beloved Crystal,
God is with you, the Page and Bullock families. I pray that God give you strength. Your mom, Deborah was a virtuous woman of God. She was powerful, anointed and gifted by God. I pray knowing that she is absent from the body and present with the Lord will ease your pain, give you peace, wisdom and understanding. My sister, my Soror Deborah is resting from her labor and has received her crown. I love you and God loves you more! Soror Vialettice Morris Cobb*

“ A candle was lit in remembrance of Ms. Deborah Bullock-Page. Deborah was such a beautiful and highly intelligent young lady. She loved people and did all she could to lend a helping hand. Oh, what a great encourager ! Furthermore, Deborah really loved and served our Lord. Now, she is resting from all of her labor. However, we will be lifting the family up in prayer. Crystal, you must be so proud of your mother. (A great role model.)

“ *I never imagined that I would move from Boston Massachusetts , and you would become a second mom to me . I shall always cherish the little nuggets of wisdom , and the wise stories you told . It is like a bad dream still . God knew what was best when he called you home . He needed a great administrator in the kingdom. Take your rest & I will make sure Crystal is ok .*

*Love you much
