“ *My sincerest sympathy to Debra's family!*

*I worked with Debra for many years at DOE in DC. We continued our friendship after I transferred to Germantown. I will miss her laugh. We shared e-mails and telephone calls, but I did not get to see her as often as either one of us would have liked. I am so glad to know that Debra put her life in God's hands and I will see her again one day in heaven! Blessings to all who read this.*
