“ *Oh what fond memories I have of spending time with the Robinson/Pitts/Ferguson families growing up! I loved spending time with Delores, especially when there was a family gathering. I was in charge of making a pistachio pudding cake, lol! I know there is a GPO Payroll Section in Heaven with Thelma Haywood, Pearl Smith, my mom (Barbara Lucas) and now Delores. What a time they are having! Much love to the family.*

“ *My condolences to Mrs. Deloris Robinson's family. May you find comfort from the great memories she's left you. Ms. Deloris trained me in payroll at the Government Printing Office in 1988. She was very kind and patient. She made the process very easy. I often admired her youthful appearance. She seemed ageless and forever Young.*

*Rest in peace Ms.Dolores!

My heartfelt condolences to you, Warren, and your entire family on the loss of your beloved grandmother. May you find comfort in the beautiful memories shared and in the love that she poured into each of your lives. Grandmothers hold such a special place in our hearts, and her legacy will continue to live on through the values, wisdom, and love she instilled in her family.

During this time of grief, I pray that God wraps His arms around you all and gives you strength, peace, and healing. As Jesus said, "Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid" (John 14:27). May you continue to feel her presence in your hearts and honor her life by carrying forward the love she so freely gave.

With prayers and deepest sympathy,

Trayawn Brow
