“ Monte had such a genuine soul! He was one of the first people I met in high school and we've been locked in ever since! He not only became my friend we became bestfriends no matter what he knew if he called I was coming! we told each other almost everything & he always kept it 100 even when he was mad. My everlasting love ❤️ forever in my heart!

“ DeMonte the best memories of you will always be me fighting to get your little self in the bath at Grandma's and Granddaddy's house when you were like 4 years old. You were so quick when you'd run away down the hall (naked) and smiling cause you escaped...yet again. Your smile and that fearless spirit of yours will always be remembered. Love you cuz
