“ My deepest condolences to Ronnie and the Stewart family. I was Denise's hairstylist for close to a decade. Saturday morning 8:00am sharp was her appointment, by that time, she had already done her shopping at the grocery store and the Dollar tree. Once her services were complete Marshalls was her next move. Hair done, shopping complete and arms full of bags, she would ask me to call her a cab. The Saturday morning salon crew will truly miss you. Ronnie I have only met you once, but she spoke of you often, she was very proud of you.

“ My sincerest condolences to the Stewart family. I knew Denise for about 10 years at NASA HQ in the Office of Space Flight. Denise was a very lovely person and a pleasure to work with. I was a lead secretary and Denise was secretary to one of the Division Directors. She was one of the most pleasant secretaries I had to work with, had a great attitude, and always had a smile for everyone ... and a beautiful smile it was. She was a beautiful person inside and out. May she rest in peace. God bless you, Denise!
