“ *My family was very saddened to hear about Diane's death. She was extremely close to our family during the years we were growing up in Carver Terrace. She was like a big sister to me. Our family photo albums are full of pictures of Diane hanging out with us. On behalf of the Bradley family I want to send condolences to the Woodard family for your loss. It's been years since we have seen you but please know that we remember your family fondly and hope that you find comfort in knowing that we are praying for you during this sorrowful time. God Bless.*

“ *Ms. Woodard was as beautiful in her 60s as she was in the posted picture. There was inner beauty that always put others ahead of herself - her strong spirit and willingness to be a help to others was a joy to be around. Thank you for sharing this web page. Debi Krahling*
