“ It’s been many years since I last spoke to Doreen. We worked together in 1985 at the bank and stayed connected for a long while but over the years lost touch. I thought about her often and looked her up today and learned of her passing. I have fond memories of her and am saddened by the news. I’m not sure if you remember me. My prayers and love for you and her family. Diane Coleman Brown 💜🙏

“ I met Doreen in 1992. She had just joined our accounting department with Coldwell Banker-Routh Robbins at Tysons. Over our long careers with Coldwell Banker Stevens in Vienna and Coldwell Banker Residential Brokerage in Columbia we often relied on each other's help with problem solving.

We stayed in touch these past few years even after we both retired, forever friends. She would often text pictures of her wonderful meals that she fixed for her beloved Michael. We had long phone conversations at least once a week. She shared devotionals with me daily. We always ended our conversations with I Love You Girlfriend.

*I Love You Girlfriend. Rest In Peace.*

“ To Michael and family  
I have just found out my dear dear friend Doreen is gone to be with our Lord. I am grateful for her now being whole and every tear dried by Him.

She was a dear sister. I am grieved as well and will miss her. To use a phrase she always said and to use it in her favor,

“She WAS all that AND a bag of potato chips”

I love her and will miss being in touch.

Rest in joy and peace sister.

“ *She was not just my aunt, but my sister spending summers in Maryland during junior and senior high school attending concerts, hanging with her friends Paula and Janice and even attending some of her summer classes at Prince George Community College. And the last family reunion in Maryland when my youngest was about three years old. She will truly be missed.*
