“ We were deeply saddened to hear about the loss of your son. The most difficult thing a parent can endure is the loss of their child. Dorell is gone much too soon, but he will always live in our hearts. Derrick and Dekota admired him and they will really miss him in their lives as they grow up. Family, I know this is a difficult time for all of you, but with time and all of the wonderful memories you have, it will get better. Our thoughts and prayers are with you. God Bless!
