“ *Mrs. Bradford was a lady of Grace Respect, Dignity and Honesty. Over the 30 years I knew her she was straight forward while displaying a heart of forgiveness, steadfastness and strength.*

Above all I felt she was Faithful in her everyday operations and to her God.

She was my inspiration that I will always remember and trust I will see her again.

“ *RIP my second oldest sister. I am really going to miss you sister. I am going to miss our phone talks. I am going to miss you coming to the family reunions. I am going to miss everything about you. I do realize that you had to answer your call. It still hurts though. I will love you and your memory will be with me forever. Bye Bye now. Your youngest brother.*
