This was a beautiful service for him but I am totally lost on why he was still in there, resting in his casket and not wheeled out and buried??

“ Dwayne and I worked together at the airport. No matter what kind of mood he was in he was always pleasant and would ask "how are you doing". We had a lot of fun working together, he was like a little brother. Dwayne was a hard worker, he had big dreams to have a successful music career and I admired his drive. I'm sad to have to write this, he's gone too soon. May he rest in heaven.
