“ Sorry for the family's loss. Earl was a dear friend, mentor, and co-worker for many years. Earl, Georgia, and Karen served together ❤️ as Contracting Officers at USIA in the same office for many years. We were work family. I shared a picture of the three of us sharing a birthday lunch to celebrate all our birthdays. That was our last time together. The last time I talked to him, he was recovering from a stroke and going to stay with his daughter. After I didn't receive my birthday call I tried getting in touch with him to no avail. Hugs and prayers to Sean, his daughter 🙏 and grandson who he cherished them always. I just celebrated another birthday without getting my birthday call. Blessings to all.
