“ *Beautiful picture displayed of Uncle Kool. Just as this picture is showing him smiling, every time I saw him, he always had that smile. I know that he smiled when he made it home to see all of his family members and friends. I will always remember that smile and softness of his wonderful spirit.*

“ I love my Uncle Kool and remember him dearly.. Whether he was giving me a driving lesson, or learning to dance using the records in his collection of early motown records. Him teaching me what to expect out of life and how to treat and respect others. He really showed me the meaning of family. I will always remember him, and will continue to teach my kids many of the lessons he taught me, and they will also keep Uncle Kool in their hearts and memories.
