*I just learned of Edith's transition. Edith was married to my cousin, Kenneth Jordan. I'm going through pictures and organizing them and found pictures of their wedding day. So beautiful. Edith displayed true sacrificial love taking care of her husband, my cousin during his illness before he transitioned. Even before his illness, she was such a rock and was the strong woman of faith that Kenny needed. I have not seen Keith since he was a child, but I just wanted to say to Keith that you had a wonderful mother.*
