“ *To Theresa, Edward Jr, Joshua and Taylor and the Beddingfield HS family.*

*I was so sad to hear of Edwards passing. My brother Ben and I played for Fike HS and against Edward for 2 years. We had epic battles and every game strategy was centered around how to stop Edward. The quality of basketball player that Edward was cannot be overstated, but what I will always remember is the respect that we all had for Edward. Not just respect for his game but respect for him as a person and a man. I only wish that I had known him better. No doubt our teams were determined to beat each other as badly as possible, but at the end of the game there was always a sense of appreciation to have one another to compete against. So many great basketball memories remain but the quiet respect and honor for Edward shine even brighter in the minds of those of us who were privileged to have known him and shared an important time of life together. On behalf of Ben an I, and all the Fike players who sheared the floor with Edward, our sincere thoughts and prayers are with you.*

“ I had the pleasure of being on the same high school basketball team with Edward Farmer. When you're experiencing life you sometimes don't see the lessons until years later. No matter how bad we were down in a game, when Edward decided in his heart that he'd seen enough, he would literally transform right before our eyes and take over the game and once again save the day. He made us all better because he was soooo good. In life sometimes you can get really down. I learned from my dear from Ed, even as a high school sophomore and junior, that you can really turn things around RIGHT NOW! For that I will always be grateful. I love you Ed. Wade Detroit Harris.

“ *In Memory of my former class mate, at Beddingfield, High School, Wilson, NC the late Mr. Edward Lee Famer. He was a basket ball star!! Gone but never forgotten! My memory of Ed, was always basketball! He was a cool kind of guy. He loved the game of basketball and played that center position well as a Beddingfield Bruin. Family, I am indeed sorry for your loss and regret that I will be unable to attend the service. Know that God is too wise to make any mistake in His choosing. He will give you what you need to get through this difficult time in your lives. May the ever loving Father who hears and answers prayer send you comfort and peace during this time. You are in my thoughts and prayers!  
Humbly Submitted, Angela Smith Kent, class of 1981*
