“ My condolences to the family. Edwin (I called Juicy - his nickname) was a very pleasant person. He called me moochie by my nickname. I'd been knowing Juicy for a long time. His sister Mary (Bi) and I use to work together, whose still a close friend of mine). I would have never thought that Juicy's son Pat, would be the father to one of my grandchildren, Taylaya. I use to tell Juicy that Talaya looked just like him. His chest would stick out. He showed so much love towards her and she really loved her granddaddy. Pat is a nice young man. It's hard to believe this. When I attended something that was given for Talaya, I would see Juicy smiling and looking at his granddaughter like he was so proud of her. I believe he loved all of his grandchildren. My prayers are with your family. You just have to take one day at a time and eventually God will heal the wound. You will never forget him but the days will just get a little bit better as time moves on. My love to all of the family,

Taylaya's grandmother, Carolyn Spriggs

“ I would like to express my deepest sympathy to the family. May God heal and comfort your hearts during this time of great loss. Please know that “God is near to those that are broken at heart; and those who are crushed in spirit he saves.” -Psalms 34:18
