“ *Oscar, Owen, Tyler and Jordan, I will always remember the special times Edythe and I spent together. She was my closest and dearest friend for over 65 years. She was a very special and caring individual who always put her family and others first. She touched so many lives and will be missed, but her memory will live on forever in each of our hearts.*

“ My sincere condolences to Edythe's wonderful family, extended family and all she touched. It was such a joy to know her from Nursing school at Howard, and through her family and professional life. She was so devoted to her family, and she made a lovely and welcoming home. She was a tireless patient advocate to all those entrusted in her care. A vibrant, wise, and faithful friend through the decades, and most importantly, a woman of strong faith in God. We loved her, but God Loved her Best.

“ Dear family, we are all sadden over the loss of cousin Edythe. Her beautiful smile always illuminated a room and her loving heart and kindness constantly warmed and lifted our spirits. We will miss our dear cousin. Family, please take solace in knowing that, as believers, absence from the body means presence with the Lord. Edythe is resting in peace with our Lord and savior Jesus Christ. Condolences, peace, & prayers. 🙏 Calvin Davis & Family

“ My condolences are extended to the Cooper/Barton Family. Edythe was certainly a strong and powerful force in the lives of those of us who interacted closely with her through the years . We, her 1973 AKA Alpha Zeta Line Sisters, value the sage leadership and guidance she imparted to us as we matriculated at Langston University. We are so proud of the great wife and mother she was to her wonderful husband, Dr. Oscar Barton, and their three lovely children. Edythe's strength and spirit will be omnipresent in each of us who are fortunate to have known her. RIP.
