“ *Aunt Ellen always had spunk and a comical way of expressing herself. I always felt loved in her presence. She was so happy to see my daughter and loved her too. I will never forget that. I will cherish the conversations we've had, especially as I became a woman. She will be missed. I will continue to pray for our family that the Holy Spirit will comfort us in the days ahead.*

*May Gods peace rest upon you,
Damita*

“ *Brenda, Jerry and Penny,
I am so sorry to hear of Ellen’s passing. I Rembrandt all the many many times as young teenage girls we spent hours together chit chatting about just everything! Ellen is responsible for me meeting Wes, some 53 years ago! I remember she was babysitting for Chappie and Aunt Blanche and came home and told me about these 2 boys (Wes and his cousin Junior) in the back alley playing basketball who she thought was cute and wanted me to meet.*

Unfortunately, I am not able to attend the services as I am having some health challenges over the last 3 months. Please know that my and Wes’s thoughts and prayers are with the family!

“ To Brenda, Jerry, and Penny,

You have my deepest sympathy for the loss of your sister and my 1st cousin. Continue to trust in the Lord and lean on him, for weeping may endure for a night but joy comes in the morning. I just noticed that she was named "Louise" after my Mother. I remember her most as a young woman when she have that long platted her. She was beautiful. Ellen was a very kind and loving person and now she has gone to be with the Lord in Glory. Let me know if I can help.
