I have known Mr. and Mrs. Williams since the births of their children, Tammi and Steven. Mrs. Williams and I bonded very early as I shared in caring for Tammi and Steven's health and development, and well being as their pediatrician. Mrs. Williams was always a caring, thoughtful Mom, who loved HER children, and the children in her extended family. We would enjoy long talks and many laughs through the years about our Moms and so many everyday things. She will be missed, but always remembered!

Ellinder and I taught together for several years and I will always remember her as a wonderful teacher. She was dedicated to the profession and gave her students her best. She was patient and warm. There are many whose lives were made better because of their fourth grade teacher. Mrs. Williams. May God surround you with his love and give you strength now and always. Ellinder loved her Sam and her two children. Remember that.

Be blessed
