“ *I played basketball with Embee and Gaines Shaw at Watkins Playground. I played in all the DC Summer Tournaments and even the Urban Coalition. We played on Watkins Playground for many years. Embee was a great competitor and teammate. He was fearless on the court. More than that he was a dear friend. We lost contact for the last 5 or years. You are forever entrenched in my heart and mind. RIP Embee. May God Bless and keep the family.*

“ *Greetings and peace from our Lord and Savior Jesus Christ. I'm Andrew Aka "Bear". Embee and I was college buddies at Barber-Scotia College. Bee was an outstanding person in many different ways. His outgoing personality made it easy to have fun whenever you were around him. He gave us many thrills while watching him on the basketball court, he was an extraordinary player. As our lives were transition from darkness into the marvelous light of Christ. We shared many phone conversation testifying of the goodness of our God. We will miss you my brother. Bear*
