“ I miss you Eric. You have the most beautiful ACTIVE/HYPER kids! LOL!! They are tough too. I love them so much. I see you in them. I wish you could be here with them. But, I guess you are with all of us now. We will NEVER forget you. Our memories of you and the love we have for you is eternal!

Missing you so much baby ❤️. I know you are resting in heaven. I bet Daddy had the biggest smile when he saw you again. He really misses you. Not having you two here with me is unbearable at times. I am grateful for the wonderful memories. See you soon baby. 🤔❤️

“ Eric,

Your 4 kids are growing up so fast. I know you are looking over them. I call Chase "E5" or "little E". He is such a good baby with a laugh and smile that melts my heart. He is so much like you. I wish I could bring him to Texas. Well, sometimes I wish I could. Cody is getting so tall. Drives me crazy because he can be so mean/bad, then be the sweetest child in the bunch. Cyon is more attached to me. He knows he is my baby. LiLi is so loud. She is our princess and I tell her that all the time. Daddy is now resting. I hope you two will together watch over us. Daddy was devastated when you passed. Now, he does not have to be sad, in pain or suffer. He talked about you a lot. May you both rest in peace. Until we meet again...

*Love,
Aunt Jacque*

“ Lil Eric,

I can't believe this day has come. You were born at a difficult time in my life. I fell in love with you at first site. I was your aunt, godmother and baby sitter. You gave me a reason to live and gave me hope that life would be better. I will miss your smile, your hugs and kisses. Eric, I love you so much. My heart is so broken. When we last spoke, you said you could not wait for me to meet your kids. Well, I have met your kids and I see you in them. They are beautiful. I promise to love them just as much as I love you. You will always be my baby.

Forever your Aunt,

Jacquelyn L. Norris
