“ *My grandma was the best that ever happened!!! She was caring, pretty, always comforting, one thing about Ms Dawson, she was a very loyal and honest person. She was always a rider and always wanted nothing but the best for her family. She took whatever risk it took to make sure her family was always happy and satisfied, I'm going miss them collard greens and black eye peas with the ham bone. (Jean can throw down in the kitchen) she was always made sure everyone stomachs was full. Rest peacefully my sweet angel.*
