“ *Evelyn was such a sweet, caring, loving person. She was very family oriented and always treated me with so much love. She and Orlando always tried to make special events. They traveled to my daughter's wedding in Asheville, NC, they came to Atlanta to celebrate my 60th birthday with me and would always come by or call to let me know they were in Atlanta or passing through headed to FL. I named my youngest daughter after her (Evelyn with a B, Bevelyn.) She also made the best scrambled eggs I ever tasted! My love to all who loved her and we will miss her. My special condolences to Orlando, Thandra, Mel and her one and only son, Warren III. My prayers go out to you as you learn to live life without her presence but she will live on in you. ❤️ Your loving cousin San*
