“ I will miss u sis!!! U were the next older sister and now u r gone. I will miss your sweet and warm spirit and how u didn't let things bother u. Weeping may endure for a night but joy will come in the morning. I will miss your smiles...all our talks when we were younger....laughing together about different things too. Your joy has come....no more suffering...no more tears. God has wiped them all away. Rest on sis...I will c u again when my day come. Many are the afflictions of the righteous...but God will delivery us from them all.....you have been delivered and set free.....I will love and miss you always....your sister Frances
