“ *My Pop-Pop was the best in the entire world. I've never met anyone so kind, loving, giving, and patient...He would give you the shirt off of his back, and all he needed back in return was love. I thank God and my mom for allowing me to have such a wonderful and close relationship with such a wonderful man. I also thank my mom for choosing a man just like my Pop-Pop to be our father so we could get the life she got from her Daddy. I love you with all of my heart Pop-Pop, you will truly be missed. I promise you will continue to live on. All of my children, grandchildren, great-grandchildren will all know who Pop-Pop is..you will never ever be forgotten. I have no clue what we're going to do without, but one thing is for sure, we'll make sure to make you proud. See you later my alligator.
