“ *We meet over 26 years ago when we both worked at the Safeway on Michigan Ave. I miss our monthly phone check in. We always kept in touch via phone and I knew something wasn't right when I didn't receive your call. I had 4 different numbers for you and none of them worked. After calling DC Lottery my deepest fear was answered. You don't have to talk to someone everyday to call them a good friend. We keep in touch for some many years because of the bond we shared. Each time we talk you would share the love you had for your son and I would share the love I had for mine. It was such a shock to find out that you had went to be with the lord. I Miss You old friend. Until we meet again.*
