“ *First I would like to send my condolences to the family.
May the Love of God surround you,
May the Peace of God sustain you,
As he will give you everlasting Peace.*

*Frank has known me since I was knee high running around at
Parkland & Silver Hill. I came back to bowl with my Mom last year
and he was there. I enjoyed bowling against him!! He always had
something funny to say. I will miss him!!!*

*Love Always,

“ Please accept my condolences for the passing of your dear loved one. When someone we love dies, the heartache and grief can be great. I hope that you can be comforted knowing that God cares for you and sees your pain. (1 Peter 5:7) "He is close to the brokenhearted and He saves those who are crushed in spirit. (Psalm 34:18) May you find comfort and relief during this grievous time, as you cherish the precious memories of Franklin.

“ Condolences to the Reid Family! Praying God will give you comfort and peace at this most difficult time. Frank was my Bid Whist Partner and I enjoyed his kindred spirit! We played for years every Friday night and we enjoyed it tremendously. We had lots of fun and I will miss him! He is now at peace with his beloved Beverly! Rest in Paradise my Friend!

“ First let me extend my condolences to the family I can only imagine how much you will miss your folks. Frank and I were work colleagues for a few years before he retired and I discovered that he and my husband had something in common, model trains! I introduced them and we started going to the York train show together. I am so sad to learn of his passing. He was a great colleague and an even greater friend. We would often call each other to tease one another about our favorite football teams, he, the Redskins and me, the Cowboys! We had great fun going back and forth depending on who was winning that season. Now he will have the best seat in the house and won't have to pay for parking! Love and miss you. Liz Judd

“ I would like to send my condolences to the Reid family during this rough time. I'm really sad to hear about Frank's passing. Frank was a dear friend of mine. Frank hired me for my first federal job. Frank took a chance on me. I WILL NEVER FORGET THAT. I'm so thankful for the opportunity to see him last week. I'm also thankful to call Frank my FRIEND. I will miss you BUDDY..... RIP FRANK
