“ *My dear friend I'm sadden to hear that you're gone. It hurts that I didn't get to say goodbye. I've been trying to reach you for over a year and to hear that you've been gone for so long without us not even being able to say our goodbyes has truly left me sadden. I will never forget you and you will always be dear to my heart. We're all gonna miss you but, I guess God needed you more R.I.Paradise my friend your job here on earth has been completed. I'm gonna miss our rode trips and laughs we had throughout the years. You were more than just my friend you were my sister. And you will Truly be missed*

“ *My most sincere condolences to her entire family. This is a tough one for me. She was my mother's dear friend and to find out she's now gone and not getting a chance to say goodbye is a really tough one. Nevertheless to know she passed away 2 years ago is even tougher. May her soul rest and peace.....She was truly a angel sent from above. May God bless her entire family. S.I.P Geneva your gone but will never be forgotten*
