“ *My Auntie..No words, all I know is there is no more pain or suffering, I remember the first time I met you in Durham at the China Brunson Reunion, You were so funny and fussy!! Lol! But it was amazing to me that I got to meet another Auntie, I just hurt because family is important and I know the void you leave, its going to be hard to fill, you are going to be missed! To my cousins, We been there, just hold on to the memories I love you and Im keeping you in thoughts and Prayer!!*
