“ *I no longer work at 5th Street, but I communicated with her frequently. I had to order office supplies through her and she would get on me in a nice way about me sending copies of my emails to her to the my Terminal manager. We would laugh about things like that. The last time her and I communicated was probably late January or early February.*

*I told her she was a kind person and she responded back. "I know". She is miss.*

“ Georgette,

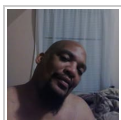

*I will always remember your warm smile and compassion for kids. For YEARS you took care of me and Taylor's hair. We would sit in your apartment laughing, talking and sharing. I'm grateful for all the times we had together. Thank you for sharing your time, talents and gift. You will be missed!*

*Rest in Heaven! Love you lots.*
